**Subject:** Your pending Principal disability insurance application

Hello [Applicant],

Thank you for your interest in a Principal® disability insurance policy. Principal is working with us to speed up your application review. As part of this process, we need to evaluate your medical history, which can now be shared securely in just a few minutes. This also provides you with an option to download a copy of your medical history.

Traditionally, it can take from 3 to 6 weeks to gather this information from medical professionals. With this easy online tool, you'll shorten the time to get your policy issued by up to several weeks since results are immediate.

This safe and secure method keeps your information protected and allows the process to keep moving.
