Who I am and how I can help you

In my role as an internal wholesaler with nonqualified deferred compensation plans, I support financial professionals and employers in the sales and service of these plans to organizations. The deferred comp benefits we provide to clients help them recruit, reward, and retain key employees. And research shows that both employers and key employees value this benefit for a variety of reasons.¹

I work closely with Josh Owen, regional vice president of nonqualified plans, to support financial professionals and their clients in the Mid-Atlantic region. You can count on me to help with marketing, education, and setting up a deferred comp plan. I'll also work to simplify complex ideas and, with the financial professional, help put in place a solution to meet the employer's needs.

I've been with Principal® since 2017. I graduated from Salem College in Winston Salem, North Carolina with a BA in Business Administration and Marketing. I hold Series 6 and 63 securities registrations from the Financial Industry Regulatory Authority (FINRA). I live in Raleigh, North Carolina, and I enjoy playing USTA tennis and listening to live music.
