Who I am and how I can help you

In my role as a regional vice president-nonqualified plans, I support financial professionals and employers in the sale and service of nonqualified deferred compensation plans to organizations of all types and sizes. The deferred comp benefits we provide to clients help them recruit, reward, retain, and retire key employees. And research shows that both employers and key employees value this benefit for a variety of reasons.¹

I can help with plan design, financial analysis, implementation, and delivery of deferred comp solutions. I'll work to simplify complex ideas and, with the financial professional, help put in place a solution to meet the employer's needs. My senior internal wholesaler, Cory Albrecht, and I provide support to financial professionals and their clients in the Northeast region.

I've been with Principal[®] since 2007. I hold Series 6 and 63 securities registrations from the Financial Industry Regulatory Authority (FINRA). I also have a bachelor's degree in marketing from La Salle University in Philadelphia, Pennsylvania. I live in Philadelphia and enjoy traveling, running, spending time with family and friends, and cheering on my home teams, the Philadelphia Eagles and Phillies.
