## Product highlights<sup>3</sup>

This product may allow up to \$5 million of coverage per policy. Premiums can be guaranteed to stay the same for 10 or 20 years—you decide the option that best fits your needs. And the benefit isn't reduced as the insured gets older, is convertible to permanent insurance, and is fully portable for the insured employee at retirement or termination.

Employees will appreciate being insured without worrying about medical exams and health questions. Guaranteed Issue eliminates the hassle and uncertainty of medical underwriting for eligible participants.
