Easy, affordable, integrated enrollment

Experience the advantages of the Principal® collaboration with Employee Navigator.

At Principal, we understand that delivering streamlined digital capabilities is critical both today and in the future. That's why we're teaming up with Employee Navigator to offer an integrated online solution for benefit enrollment and administration.

What are the advantages?

- The Principal connection is finalized in minutes—with no need for technical expertise
- It's easy and efficient to process new hires, employee status changes, and terminations
- COBRA can be included in the automated process
- Data is exchanged weekly, ensuring information is accurate and up to date
- There's no additional per employee per month (PEPM) cost

Simple, streamlined processing

- Omits dual entry
- Eliminates paper enrollment
- Connects with Employee Navigator's budget-friendly online enrollment solution
- Provides real-time integration with payroll

Plus, client set-up happens in hours—not weeks. That means you can quickly provide the efficiency HR professionals expect.

Easy, seamless carrier connection

It's never been easier to set up a carrier connection.

- Connect each client to Principal Data Exchange in Employee Navigator
- Use structure sheet provided by Principal
- Follow easy instructions to complete set-up
- Update based on discrepancies sent by Principal

Once approved, clients move into production for weekly processing.

Your clients with Principal products can enjoy a solution that combines the advantages of a fast, efficient way to navigate annual enrollment with an administration solution designed to make the benefit process smooth and hassle-free.
