Who I am and how I can help you

In my role as a senior internal wholesaler with nonqualified deferred compensation plans, I support financial professionals and employers in the sales and service of these plans to organizations. The deferred comp benefits we provide to clients help them recruit, reward, and retain key employees. And research shows that both employers and key employees value this benefit for a variety of reasons.¹

I work closely with Brian Ellerman, regional vice president of nonqualified plans, to support financial professionals and their clients in the Great Lakes region. You can count on me to help with marketing, education, and setting up a deferred comp plan. I'll also work to simplify complex ideas and, with the financial professional, help put in place a solution to meet the employer's needs.

I've been with Principal® since 2007. In addition to having insurance licenses, I hold Series 6 and Series 63 securities registrations from the Financial Industry Regulatory Authority (FINRA). I live in Chicago, Illinois with my husband and daughter, and I enjoy traveling, photography, and spending time with family.
