Longevity and experience

We've been providing deferred comp plans for more than 35 years and have over 80 years of retirement plan experience. Deferred comp plans are a specialized benefit. So, their plan design, financing options, onboarding, and administrative services require something more—and that's precisely what Principal provides to each of its clients:

EXPERIENCE

with employers of all sizes and types

SPECIALIZED KNOWLEDGE

that helps us meet the unique needs of employers and their key employees.

FINANCIAL STRENGTH

that stands the test of time

But don't just take our word for it. In our annual client survey of plan participants and plan sponsors, they ranked us high in easy to do business with and overall satisfaction as shown below.³

Specialized knowledge and service

We specialize in deferred comp, with a team of over 200 dedicated specialists, and a platform and service model tailored for your top employees. Our commitment to plan sponsors and participants shows with our **0.9% annual plan sponsor attrition rate** (those who leave Principal to go to another provider).⁴

Whether you're setting up a new plan or wanting more from an existing one, we can help you every step of the way:

Innovative plan design and consulting. Our plan design flexibility and consulting experience make us a top provider for organizations of all sizes and types. We work with you and your financial professional to help customize a plan specific to the goals of your organization and key employees.

Multiple financing options. Our tax, actuarial, and legislative professionals are at your service to help tailor your plan to match your asset and tax strategy. We offer all the common financing techniques, including company cash, taxable investments, corporate-owned life insurance (COLI), and dual-financing with a combination of taxable investments and COLI.

Efficient plan onboarding. We work with you and your financial professional to make onboarding as easy as possible. Your client-onboarding manager creates a tailored action plan including a timeline, plan design analysis, and investment mapping. We'll also help you create an education strategy for new participants.

Dedicated plan administrative services. Once your plan is in place, we'll help you manage it and ensure it keeps pace with your needs. You'll receive tools and resources to assist with everything from enrollment to benefit payments. Plus, we'll help your participants understand the plan's value and provide them with helpful tools and communications.

Business strength and leadership⁵

For more than 143 years, we've stood strong for our clients, employees, and community:
