

Round out your benefits package with vision coverage.

It's easy to administer and can fit all budgets.

Help your employees take control of their eye health by offering vision coverage from Principal®. After all, healthy vision is an important part of employees' overall wellness.

Managed care vision is offered through Principal and VSP® Vision Care. It provides choice, flexibility, and savings through a VSP provider.

An established network of VSP providers, including both independent providers and retail chains, provides quality care for your employees and their families.

Exams covered by your health plan?

Don't pay twice. We offer a benefit design that covers only prescription glasses and contact lenses.
