Your Group Long Term Disability Insurance has been designed to provide financial help for you when a covered loss occurs. This plan has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by the Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your enrollment form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future plan changes, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

We reserve discretion to construe or interpret the provisions of the Group Policy, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided. Our decisions in such matters will be controlling, binding, and final as between Us and persons covered by this group insurance, subject to the Claim Procedures shown on page GH 823 of this booklet.

The insurance provided in this booklet is subject to the laws of the state of IOWA.

HOW TO BE INSURED
LONG TERM DISABILITY INSURANCE

Eligibility and Individual Incontestability

Eligibility

You will be eligible for insurance on the first of the Insurance Month that next follows the date you complete Active Work and hold a regular appointment of 50% time or more.

However, any person who becomes a Member by transferring from another state agency or state university to this policy, shall be given credit for prior time employed at the other such agency or university for the purpose of determining eligibility.

Individual Incontestability

All statements made by any person insured will be representations and not warranties. In the absence of fraud, these statements may not be used to contest the insured person's coverage unless:

a. the insurance has been in force for less than two years during the insured person's lifetime; and

b. the statement is in Written form Signed by the insured person; and

c. a copy of the form which contains the statement is given to the insured person or the insured person's beneficiary at the time insurance is contested.

However, the above will not preclude the assertion at any time of defenses based upon the person's not being eligible for insurance under the Group Policy or upon other provisions of the Group Policy.

In addition, if a person's age is misstated, We may, at any time, adjust premiums and benefits to reflect the correct age.

We may, at any time, terminate a Member's eligibility under the Group Policy in Writing and with 31 day notice:

a. if the individual submits any claim that contains false or fraudulent elements under state or federal law;

b. upon finding in a civil or criminal case that a Member has submitted claims that contain false or fraudulent elements under state or federal law;

c. when a Member has submitted a claim which, in good faith judgment and investigation, a Member knew or should have known, contains false or fraudulent elements under state or federal law.

Effective Dates

Actively at Work

Effective Date for Noncontributory Insurance

Insurance for which you contribute no part of premium will be in force on the date you are eligible.

Effective Date for Benefit Changes Due to a Change in Status

a. For Faculty, Professional, Scientific, and Supervisory Exempt Staff Members; A change in your Benefit Payable amount because of a change in your status (Monthly Budgeted Salary or benefit option) will be effective on the January 1 of the next calendar year.

b. For Merit Staff and House Staff Members; A change in your Benefit Payable because of a change in your status (Monthly Budgeted Salary) will be effective on the first of the Insurance Month that next follows the date of the change in status.

HOW TO BE INSURED
LONG TERM DISABILITY INSURANCE

Termination, Continuation, and Reinstatement

Termination of Insurance

Your insurance will terminate on the earliest of:

a. the date the Group Policy is terminated; or

b. the end of the Insurance Month for which the last premium is paid for your insurance; or

c. the end of the Insurance Month in which you cease to be a Member as defined; or

d. the end of the Insurance Month in which you cease to be in a class for which Member Insurance is provided; or

e. the end of the Insurance Month in which you cease Active Work except as provided below.

Termination of insurance for any reason described above will not affect your rights to benefits, if any, for a Disability that begins while your insurance is in force under the Group Policy. You are considered to be continuously Disabled if you are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

Continuation

You may qualify to have your insurance continued under one or more of the continuation provisions below. If you qualify for continuation under more than one provision, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If you cease Active Work due to sickness, injury, or pregnancy, your insurance can be continued subject to payment of premium, until the earliest of:

a. the date insurance would otherwise terminate as provided in items a. through e. above; or

b. the end of the Insurance Month in which you recover; or

c. the later of:
   - the date Disability has been continuous for 90 working days after Active Work ends; or
   - the expiration of all accrued sick leave and vacation time (if elected).

If a Benefit Payment Period is established, your insurance will be reinstated if you return to Active Work for the Policyholder within three months of the date the Benefit Payment Period ends. Your reinstated insurance will be in force on the date of return to Active Work.
If you do not qualify to have a Benefit Payment Period begin, insurance will be reinstated if you return to Active Work for the Policyholder within three months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

**Continuation and Reinstatement - Layoff or Authorized Leave of Absence**

If you cease Active Work due to layoff or leave of absence authorized by the Policyholder or the State Board of Regents, your insurance can be continued, subject to premium payment, until the earlier of:

a. the date insurance would otherwise terminate as provided in items a. through e. above; or

b. the end of the Insurance Month in which Active Work ends.

Your reinstated insurance will be in force on the date you receive compensation from the University if you are a twelve month faculty or staff Member or at the beginning of the next academic year if you are a nine month faculty or staff Member. However, you must be Actively at Work.

Only the period of time during which you are actually insured will be included in determining the length of your continuous coverage under the Group Policy. For this purpose, the period of time during which your reinstated insurance was not in force:

a. will not be considered an interruption of continuous coverage; and

b. will not be used to satisfy any provision of the Group Policy which pertains to a period of continuous coverage.

A longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA).

**Continuation and Reinstatement - Family and Medical Leave Act (FMLA)**

If you cease Active Work due to an approved leave of absence under FMLA, the Policyholder may choose to continue your insurance, subject to premium payment, until the date either 12 weeks or 26 weeks, as determined by law, after the end of the Insurance Month in which Active Work ends.

Your terminated insurance may be reinstated in accordance with the provisions of FMLA.

DESCRIPTION OF BENEFITS

Benefits Payable

If you are not working during a period of Disability

Your Benefit Payable for each full month of a Benefit Payment Period will be your Primary Monthly Benefit less Other Income Sources.

If you are working during a period of Disability

Your work incentive Benefit Payable for each full month of a Benefit Payment Period will be:

On each March 1, following the date you become Disabled, your Predisability Earnings will be increased by the average rate of increase in the Consumer Price Index during the preceding calendar year, subject to an annual maximum of 10%.

If you have been Disabled for less than one year as of March 1, the amount of the increase will be multiplied by the ratio of:

a. the number of completed months of Disability as of March 1;

In no event will the Monthly Budgeted Salary (after application of any annual Disability Escalator) be less than $50 for each full month of a Benefit Payment Period, except that We will have the right to reduce the Minimum Monthly Benefit by any prior benefit overpayment. The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.
DESCRIPTION OF BENEFITS

Rehabilitation Services and Benefits

Rehabilitation Services and Benefits

While you are Disabled and covered under the Group Policy, you may qualify to participate in a rehabilitation plan and receive Rehabilitation Services and Benefits. We will work with you and others as appropriate, to develop an individualized rehabilitation plan intended to assist you in returning to work.

Rehabilitation Services

While you are Disabled under the terms of the Group Policy, you may qualify for Rehabilitation Services. If you, the Policyholder, and We agree in Writing on a rehabilitation plan in advance, We may pay a portion of reasonable expenses. The goal of the plan will be to return you to work.

Any rehabilitation assistance must be approved in advance by Us and outlined in a rehabilitation plan. The Benefit Payable as described in the booklet (subject to the terms and conditions of the Group Policy) will continue, unless modified by the rehabilitation plan. Rehabilitation assistance may include, but is not limited to:

a. coordination of medical services;
b. vocational and employment assessment;
c. purchasing adaptive equipment;
d. business/financial planning;
e. retraining for a new occupation;
f. education expenses.

We will periodically review the rehabilitation plan and your progress and We will continue to pay for the agreed upon expenses as long as We determine that the rehabilitation plan is providing the necessary action to return you to work.

Predisability Intervention Services

Rehabilitation Services may be offered if you have not yet become Disabled under the terms of the Group Policy, provided you have a condition which has the potential of resulting in the inability to perform the Substantial and Material Duties of your Own Job.
DESCRIPTION OF BENEFITS

Survivor Benefit and Accelerated Survivor Benefit

Survivor Benefit

In the event a Benefit Payment Period ends because of your death, a Survivor Benefit will be payable. This Survivor Benefit will be three times your Benefit Payable as described on GH 808 that would have been payable had you not died.

We will pay the Survivor Benefit to your spouse, child, parent, or estate as described in the CLAIM PROCEDURES Section on GH 823.

Accelerated Survivor Benefit

Definition of Terminally Ill

You will be considered Terminally Ill under the Group Policy if you are expected to die within 12 months of the date you request payment of the Accelerated Survivor Benefit.

Eligibility

We will pay you an Accelerated Survivor Benefit if you request such payment and meet the following requirements. You must:

a. satisfy the Benefit Qualifications listed in this booklet; and

b. provide proof that you are Terminally Ill by submitting to Us:

   (1) a statement from your Physician; and
   (2) any other medical information that We believe necessary to confirm your status; and

c. be living on the date of payment of the Accelerated Survivor Benefit.

Benefit

If you qualify, We will pay an Accelerated Survivor Benefit. This benefit will be equal to three times your Benefit Payable as described on GH 808 and will be paid to you in a single lump sum. This benefit is paid in addition to your regular Benefit Payable as described on GH 808.

Effect on Survivor Benefit

If an Accelerated Survivor Benefit is paid, no Survivor Benefit will be payable.
DESCRIPTION OF BENEFITS

Disability Escalator

The Disability Escalator will be administered as follows:

a. **Eligibility**

   The Disability Escalator will only apply to you if you have been Disabled for at least one year and approved for Disability benefits, as defined in this booklet-certificate, on or prior to July 1 of each year.

b. **Determination of Amount of the Disability Escalator**

   The amount of the Disability Escalator is determined by increases in the Consumer Price Index for Wage Earners and Clerical Workers (called CPI), prepared by the United States Department of Labor. The amount of any increase in the CPI will be determined by dividing the arithmetic mean of the CPI for January, February and March of the current year from the arithmetic mean of the CPI for January, February and March of the prior year. The amount so determined is the Disability Escalator per year and the application of the Accumulation Reserve.

c. **Maximum Disability Escalator Per Year**

   The increase in the Disability benefit produced under the Disability Escalator may be no more than 5% per year.

d. **Accumulation Reserve**

   In those years when the rate of increase indicated by the Disability Escalator computation is more than 5%, the excess percentage will be added to an accumulation reserve for you then eligible for the Escalator provision. In any subsequent year when the Disability Escalator is less than 5%, an amount will be withdrawn from your accumulation reserve to allow up to a 5% Disability Escalator to be applied for any insured who is then receiving disability benefits. Remaining amounts in the accumulation reserve for each individual will continue to be carried forward, and used in the same fashion in subsequent years until the individual's reserve is exhausted.

e. **Increase in Disability Benefits**

   The increase, if any, in the Disability benefits produced under the Escalator will be effective on July 1 of each year.

f. **Termination of Disability Escalator**

   The Disability Escalator will not be applied to increase benefit payments after the termination of the Group Policy, even though Disability benefit payments continue to be made to persons following the time of such a termination.

All payments so made will discharge Us to the full extent of those payments.
Termination

The Retirement Annuity Protection Benefit will be paid during your Benefit Payment Period and will terminate on the earliest of:

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within 20 calendar days after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

Claim forms and other information needed must be filed with Us in order to make a claim determination. The Policyholder will provide forms to assist you in filing claims. If notice is given and the completed forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character and extent of the loss.

Proof of Disability

Completed claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous should be sent to Us within six months after the date you complete an Elimination Period. Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by Us. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider, Internal Revenue Service, Social Security Administration or any other entity required for Proof of Disability or Earnings Documentation. We reserve the right to determine when these conditions are met. Your failure to comply with such request could result in declination of the claim. Receipt of claim will be considered met when the Elimination Period has been completed and the appropriate completed claim form is received by Us.

Documentation of Loss

We must receive satisfactory Written proof of loss. Until We receive the proof of loss requested, benefits will not be paid. Proof of loss may include:

a. Any requested claim form including claim forms from you or your Physician.

b. Documentation that you are under Regular and Appropriate Care by a Physician.

c. Copies of medical records, test results and/or Physician's progress notes.

d. Occupation information, such as documentation of work duties and activities. This may include your job description or appointment calendar from the Policyholder or your current employer.

e. Independent medical examination(s) (see Examinations and Evaluations in this section).

f. Any Written authorizations necessary, signed by you, on a form supplied by Us, to obtain medical and financial records and information needed to determine your eligibility for benefits.

g. Earnings Documentation.

h. Other proof of loss as required by Us.
Earnings Documentation

We may require proof to determine your Predisability Earnings and Current Earnings. A company representative has the right to examine your financial and business records, including your individual and business Federal income tax returns and supporting documentation, as often as We may require. In addition, We reserve the right to request such documentation to verify benefits were paid appropriately during the year. In the event benefits have not been paid appropriately, any overpayment of benefits determined would be recovered as outlined in Right to Recover Overpayments.

Investigation of Your Claim

We may conduct an investigation of your claim at any time, which may include a personal interview with a company representative and/or an examination under oath. Benefits may not be payable until We have had a reasonable time to conduct an investigation of your claim and determine that benefits are payable.

Any costs involved in submission of proof of loss or earnings documentation are your responsibility to pay, except for costs incurred by Us for copies of medical records, test results and/or Physician's progress notes and independent medical examination(s) as shown under Documentation of Loss above or personal interview or financial examination.

Once your claim is approved, no benefits will be continued beyond the end of the period for which you have provided Us with satisfactory proof of loss. We will require you to provide additional documentation of your claim, at your expense, at reasonable intervals while you are claiming Disability.

If you provide false, incomplete, or misleading information including omissions on any statement you make to obtain coverage, an increase in coverage, or when filing a claim, We will deny the claim. If you knowingly and with intent to injure, defraud, or deceive provided or omitted information, you will be subject to prosecution and punishment to the fullest extent under state and/or federal law.

Proof of Disability while outside the United States

a. You must provide proof that the Physician is a legally qualified medical practitioner according to the laws and regulations of the governing jurisdiction.

b. You may be required to return to the United States at a frequency We deem necessary to substantiate your claim for Disability. All expenses incurred by you for returning to the United States will be your responsibility.

c. You must notify Us in advance of any return to the United States and your change of address.

Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements, receipt of claim will be considered met when the Elimination Period has been completed and the appropriate claim form is received by Us.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

Payment, Denial, and Review

Claims will normally be processed within 45 days from receipt of the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.
In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for the denial.

The claimant may request an appeal of a claim denial by Written request to Us within 180 days of receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. We are permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension.

For purposes of this section, "claimant" means Member.

**Lump Sum Payments from Other Income Sources**

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in monthly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated monthly over the lesser of:

a. 60 months; or

b. the expected remaining number of months for which you would be entitled to benefits from the Group Policy based on the proof of loss submitted to Us.

Lump Sum Payments under:

a. a retirement plan will be deemed to be paid in the monthly amount which:

   1. is provided by the standard annuity option under the plan as identified by the Policyholder; or
   2. is prorated under a standard annuity table over the lesser of the Benefit Payment Period or your expected life span (if the plan does not have a standard annuity option);

b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or a settlement) will be deemed to be paid monthly starting from the date of the last Workers' Compensation payment issued to you, or if no previous payments were issued, starting from the onset of the Benefit Payment Period:

   1. at the rate stated in the award or settlement; or
   2. at the rate paid prior to the lump sum (if no rate is stated in the award or settlement); or
   3. at the maximum rate set by law (if no rate is stated and you did not receive a periodic award).
c. salary continuance or sick leave program for Members whose annual contract salary is issued on a 12 month basis will be deemed to be paid in a monthly amount which is equal to 1/12 of your annual contract salary in effect prior to the date Disability begins.

Social Security Estimates

Until exact amounts are known, We may estimate the Social Security benefits for which you and your Dependents are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to disability benefits under the Federal Social Security Act, We will require that you:

a. apply for disability benefits within 10 days after receipt of Written notice from Us requesting you to apply for such benefits; and

b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the 10-day period; and

c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

If you have reached Social Security Normal Retirement Age, We will:

a. request that you apply for retirement benefits within 10 days after receipt of Written notice from Us; or

b. if you prefer not to apply for retirement benefits, estimate the Social Security benefits for which you are eligible and include those estimates in your Other Income Sources.

Other Disability Coverage Estimates

Until exact amounts are known, We may estimate benefits from Workers' Compensation, any other occupational disease law or similar act, Canadian pension Plan, Quebec pension Plan, Railroad Retirement Act or other similar plan or act, Jones Act, or state compulsory/statutory benefit law for which you are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to benefits under the sources listed above, We will require that you:

a. apply for benefits within 10 days after receipt of Written notice from Us requesting you to apply for such benefits; and

b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the 10-day period.

Payments for Less Than a Full Month

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full month will be the monthly benefit divided by 30.

Right to Recover Overpayments
If an overpayment of benefits occurs under the Group Policy, We will have the option to:

a. reduce or withhold any future benefits We determine to be due, including the Minimum Monthly Benefit; or

b. recover the overpayment directly from you; or

c. take any other legal action.

**Facility of Payment**

Benefits under the Group Policy will be payable each month of a Benefit Payment Period, provided complete and proper proof of Disability has been received by Us.

We reserve the right to make a lump sum payment in lieu of continued monthly payments where liability has been established for a Benefit Payment Period.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

We will normally pay benefits directly to you. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge Us to the full extent of those payments.

a. If payment amounts remain due upon your death, those amounts may, at Our option, be paid to your spouse, child, or parent.

b. If We believe a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, We may, at Our discretion, pay whoever has assumed the care and support of the person.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no benefit will be payable.

**Examinations and Evaluations**

We have the right to require you to undergo medical evaluations, including but not limited to, functional capacity evaluations, vocational evaluations, home visits, and/or psychiatric evaluations during the course of a claim or claim appeal. The examinations or evaluations will be performed by a Physician or evaluator We choose as appropriate for the condition and will be conducted at the time, place and frequency We reasonably requires. We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend and fully complete a medical examination or cooperate with the Physician may be cause for suspension or denial of your benefits. Failure to attend and fully complete an evaluation or to cooperate with the evaluator may also be cause for suspension or denial of your benefits. If you fail to attend and fully complete an examination or an evaluation, any charges incurred for not attending an appointment as scheduled will be your responsibility and deducted from future benefits.

**Legal Action**

Legal action to recover benefits under the Group Policy may not be started earlier than 90 days after proof of Disability has been filed. Further, no legal action may be started later than three years after that proof is required to be filed.

If your claim is subject to ERISA (Employee Retirement Income Security Act of 1974), before bringing a civil legal action under the federal labor law known as ERISA, you must exhaust available administrative remedies. Under the Group Policy, you must first exhaust the appeal procedures listed above. After the required reviews:

a. you or your beneficiary may bring legal action under Section 502(a) of ERISA; and
b. We will waive any right to assert that you failed to exhaust administrative remedies.
